EMPLOYMENT JIB/CAMERA ASSISTANT

Freelance Camera Assistant - Working for many different companies either as a jib assistant, or camera assistant.

Companies include:

Sunset & Vine
BT
SIS Live
Visions
CTV OB

ITV Camera Assistant:

I worked as a camera assistant for London Studios. While working at London Studio I worked on a wide variety of programs which are live and broadcast to millions of people worldwide. London studio was a brilliant training ground for me. I have become confident in my ability to rig and control all of the equipment that London studios had to offer.

Programmes work on:

- Alan Carr Chatty Man
- Graham Norton
- The Chase
- This Morning
- Comedy Awards
- James Corden World Cup Live

- AL Jazzera Football
- Lorraine Kelly
- Loose Women

Camera Assistant roles include:

- Rigging and managing cameras, monitors, and Jimmy-Jim that is used in the studio.
- Looking after all equipment and ensuring any faulty components are reported and fixed.
- Cleaning and rigging camera cables
- Gassing and stripping studios peds
- Cleaning and maintaining Cameras area.
- Stocking up and organising Cameras lock up.
- Rigging and de-rigging cameras
- Designing camera floor plans
- Operating assistant cameras; Sony EX1s Z1 - Z7, Cannon XF305, C300 - C500, 5D and 7D
