DOB: 24/10/1985

A keen, reliable and enthusiastic Hertfordshire based Freelance Camera Operator with over 12 years television industry experience, I specialize in Outside Broadcast, Multi-Camera, RF and Studio productions. I enjoy being creative in my work and thrive working as a team.

I have invaluable experience operating studio peds, long lens and handheld cameras on live and pre recorded 'as-live' productions. These include many varieties of sporting events, music performances, entertainment and reality television shows.
