

Pete Leutner – Senior Sound Supervisor

Email: leutnerp@btinternet.com

Pete Leutner has over 40 years of experience in Broadcast Sound Operations, BBC trained he has worked through the ranks of both Public and Independent Television and for the last 16 years was a Senior Sound Supervisor at Sky TV. Pioneering in his outlook to new ideas he has been responsible for the launching many new Network Shows. He has always had a passion for the creative side of Sound Production, especially when it comes to being resourceful, applying new technologies to enable him to offer and achieve the best quality output.

Pete has become a specialist in 5.1 surround Sound associated with HD Television Production and PSC acquisition, and has been responsible for pushing the boundaries in this new medium to the limit on many genres of programming, including Light Entertainment, Drama, Music Documentaries and Sports events. In particular he enjoyed the challenge and opportunity Sky TV offered in daring to go Live on Drama!
